

J&D's FOODS PRODUCT REQUEST FORM

(please deliver to local grocery or specialty stores you'd like to carry J&D's products)

Dear Store Manager,

I love shopping here, and don't want to shop anywhere else. But there's this company called J&D's Foods that is making everything taste like bacon. And I must have their products!

For your convenience, I have circled the products that I'm interested in buying here below:

Bacon Salt®

Bacon / Sriracha Rub

Baconnaisse®

Bacon Croutons

BaconPOP®

Cheddar BaconPOP®

Other products from J&D's I'd like to buy here not shown: _____

Please contact J&D's Foods at 410-525-5063 to inquire about how to order or email orders@baconsalt.com. Their products are available through several distributors or through the company directly.

Thanks for your help with my bacon addiction.
